

FSX-P3D Scenery Requirements MFS0020 The Trench (Part 2)-Pocatello ID to Johnson TX

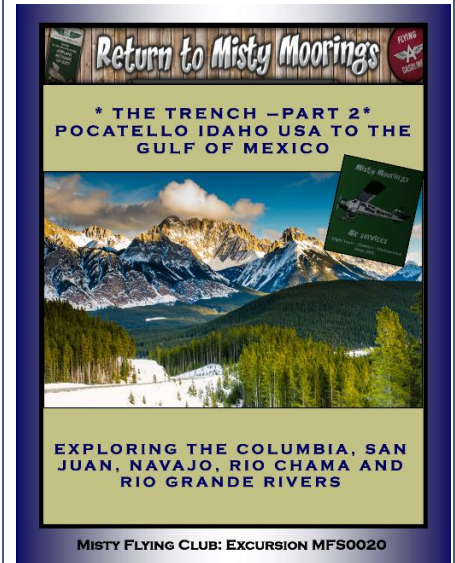

We're definitely out of RTMM territory but we're following an interesting route and flying in very nice scenic areas.

Orbx products that are nice add-ons for FSX/P3D: (Not-Mandatory):

Orbx LC NA,  
Global Base,  
Global Vector,  
Global Airport Pack (Freeware) as well as other freeware add-ons for this area.  
(Ensure you get the correct versions for your sim).

---

You might find more single scenery pieces for locations in this excursion- (eye candy) and if you have them please feel free to use them!
